

ALI TASPINAR

DEVELOPER

PROFESSIONAL SUMMARY

After making wordpress-based static and dynamic websites as a freelancer since 2018, I completed the Full Stack Development Bootcamp that I attended in 2020 as Full Stack Developer. Then, in 2021, I started to teach as a co-instructor on HTML, CSS and JS and I still continue to teach. At the same time, I received training on the Salesforce Platform and completed it as a Salesforce Developer/Admin.
